Dear Mr. Devineni:

We are encouraged by your efforts to promote the Centenary of Neruda in *Rattapallax* magazine and organize events around the world in 2004. The special section should focus on the global influence of Pablo Neruda and feature poets, musicians, and writers that have been directly influenced by Pablo Neruda. We can give you permission for this project.

If the poet, artist, or musician has already obtained permission from the Neruda Foundation, than you may use their work in the magazine. Please credit the Pablo Neruda Foundation in your magazine and include all relevant copyright information.

Sincerely,

Francisco Torres Rodríguez
